PUBLICATION OF PAPERS

Papers presented at the conference will be published in extenso (in English or Slovak) in PROCEEDINGS OF SCIENTIFIC PAPERS in the form of PC CD. When preparing your papers, please observe the following instructions:

It is necessary to observe the common structure of scientific publications (Summary, Introduction, Material and Methods, Results and Discussion, Conclusions, References). Margins: upper and lower margins 2.5 cm, left margin 4 cm and right margin 2 cm.

Use "Times Roman, 12 points size letters, 1,5 space, Programme MS Word for Windows 97 or higher. Write the title of the paper and all subtitles in upper case letters, author names (without titles) and full address of the institution in lower case letters, then leave one extra space and continue with the text. Please send your contribution by e-mail to the organising committee in the *.rtf form,

no later than 15.3.2008
