

## Announcement

**Dear Distinguished Colleagues and Friends,**

We are proud to announce that we are organizing the

**9<sup>th</sup> International Scientific Conference ORBIT 2014,**  
 „New challenges, new responses in the 21<sup>st</sup> Century”  
 in Gödöllő, Hungary, 26-28, June, 2014.

The conference is organized by **Szent István University** (Gödöllő) and the **Hungarian Quality Compost Association**. It aims to encompass several aspects and offer opportunity to explore many current and relevant issues of organic resources and biological treatment, included **compost, biochar, digestate sciences** and **applications**. It provides an interactive forum for exchange of ideas and joint discussions on recent scientific and practical results and current issues related to technological processes, analysis and characterization, sustainable uses and certification, regulation and marketing aspects.
